Service was accomplished as follows.

☒ **By U.S. Mail.** I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice the mail would be deposited with U.S. postal service on that same day with postage thereon fully prepaid at San Francisco, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made. Executed on February 12, 2008, at San Francisco, California.
